

## When you put it like that

*van het album "Koffers"*

It's been a long week  
and I've had a lot of time  
to think about you.  
So sure that I'm right  
thinkin' I'll be more than fine  
without you.

Here you are with your guilty grin  
knockin' at my door again.  
We both know you're gonna win  
when I'm in those arms of yours.

[chorus]

Oh I can't turn my back  
when you put it like that, put it like that.  
Right here in front of me,  
is all I'll ever need.  
And when you touch me like that,  
hold me like that, love me like that,  
forever sure sounds good  
when you put it like that.

So much for being strong  
My mind's set but my heart's  
too gone to save me.  
I'd like to think I've got a choice  
And deep down that little voice  
don't phase me

When I see you standing here  
everything is crystal clear  
and all my doubts just disappear  
when you're holdin' me like this.

[chorus]

When I see you standing here  
everything is crystal clear  
and all my doubts just disappear  
when you're holdin' me like this.

[chorus]

When you put it like that  
Put it like that (3x)
